

For Immediate Release

**TurboJET 'MK IV' Vessel Underwent Minor Collision with
Mainland Cargo Vessel, None Injured**

(21 May 2008 – Hong Kong) At 6:21 pm today, a TurboJET vessel 'MK IV' collided with a Mainland cargo vessel in the Tsing Yi water while returning from Chek Lap Kok to the Hong Kong-Macau Ferry Terminal. The cargo vessel left the site immediately after collision, while the body of the TurboJET vessel suffered minor damage. No passengers were on board the TurboJET vessel, and no crew members were injured. The vessel arrived safely at the Hong Kong-Macau Ferry Terminal at 6:31 pm. The Marine Police is currently conducting investigations.
